HYGIENE DISPOSABLES
TERMS AND CONDITIONS OF SALE

01 May 2021

PRICES: Prices quoted in this price list are in South African currency. Prices are valid in South Africa,
Prices contained herein are excluding VAT (15%) and are priced per unit. (Unless specified)
This price list is also available via e-mail.

Due to fluctuating costs of materials, we reserve the right to change our prices accordingly without notice. Where this becomes necessary, goods will be invoiced at the price prevailing at time of despatch.

DELIVERY: Orders of R1 500-00 and above, nett excluding VAT will be delivered free of charge in the **Gauteng Area Only (60km radius)**. Orders under R1 500,00 nett excluding VAT must be collected alternatively, a R150,00 delivery fee will be added to the invoice and your goods will be delivered.

Orders outside the Gauteng area - can be sent via courier (for the customer's account)

Deliveries will take place within 48 work hours from receipt of order - subject to stock availability.

CREDIT TERMS: Credit applications can be obtained from Head Office as well as via email.

CONDITIONS OF SALE : The ownership of the goods shall remain the property of Hygiene Disposables until the account/s thereof have been settled in full.

Any claims for shortages or damages must be lodged within 24 hours from receipt of goods.

Goods may only be returned for credit with prior authorisation from management and a handling fee of 10% may be levied.

C.O.D's: C.O.D Customers are requested to please send the proof of payment, allow for funds to reflect in our bank before delivery will take place.

Customers requiring deliveries by transport other than ours, and who do not have an account, are to deposit the full invoice amount into our bank account and fax / email the proof thereof. Once the monies reflect in our bank account, the goods will be released.

ORDERING: Orders can be emailed. **REMEMBER: ORDERING BY PRODUCT CODE IS FASTER**
e-Mail: orders@hyg.co.za / sales@hyg.co.za Tel: 011 - 314 0714

DOSING SYSTEM REQUIREMENTS

Hygiene Disposables can assist you with any Dosing System requirements in your establishment. We can provide you with an outright purchase of the units or alternatively you may enter a Rental Agreement for the units. Below is a brief overview of some of our popular products.

	DESCRIPTION	PICTURE	FEATURES & BENEFITS
1 Chemical Dosing Unit	<p>Lowest cost per product dispensed</p> <p>Our Select dosing dispensers are an economical way to dispense a wide variety of automatically diluted solutions into spray bottles, buckets or other containers at the touch of a button. Dilution is controlled by drawing chemicals through metering tips of varying size and injecting this metered amount into the water flow.</p>		<p>* Versatile and easy to customize with any combination of product configurations</p> <p>* Fittings allow for more than three products to be dispensed</p>
2 Chemical Dosing Unit	<p>Made from durable materials and state of the art water valve technology to provide low costs, consistent performance, and reliable service in a wide variety of customer environments.</p> <p>Users will also appreciate the ease of operation and low service requirements of the product line. Users simply turn a knob to select the product or dilution desired, then push the button to dispense ready-to-use solution. And since each standard button can be converted to lockability in the field, customizing the standard systems to individual needs is simpler than ever!</p>		<p>* Expandable installation</p> <p>* Better chemical performance – consistent correct dilution</p> <p>* Time and labor savings – solutions are prepared accurately with reduced preparation time</p>
3 Chemical Dosing Unit	<p>Environmentally friendly</p>		<p>* Improved employee safety – eliminates splashing, spilling and back strain</p>

CODE	DESCRIPTION	COLOUR	LTR/KG	LIST PRICE	
					EXCL VAT
HD 9/5	PINE GEL	GREEN	5kg	R	179.17
	Super concentrated neutral gel cleaner, with virgin pine oil >20% active				
HD 11/5	CRATE WASH INTERTEK / SANS 1828	AMBER	5L	R	179.17
HD11/25	Used for daily crate and bottle washing applications via enclosed systems or general manual or automated systems. May be used for general CIP applications.		25L	R	895.83
HD 12NF/5	DESCALER & CLEANER (Non Foaming) SANS 1828	AMBER	5L	R	220.83
HD12NF/25	Used primarily as an acidic wide spectrum descaler & cleaner for inorganic soiling. Will effectively remove hard water residue & perfect for use in CIP & in areas of high turbulence & water/air movement due to its low foaming properties. Can be used for general acidic cleaning applications. Safe to use on stainless steel & aluminium.		25L	R	1,104.17
HD 12hF/5	DESCALER & CLEANER (Foaming) INTERTEK / SANS 1828 pending	LIGHT BROWN	5L		TBA
HD12hF/25	Used primarily as a gel type detergent on plant and general manufacturing equipment to remove harsh water scale and hard water mineral deposits. Will effectively descale and emulsify soiling, grease and grime. Safe on most types of metals. Caution should be taken when used neat on aluminium. Can be diluted in water to make up an effective acidic floor degreaser and acid edge.		25L		TBA
HD 19/1	DISH WASHING DETERGENT - CONCENTRATE	CLEAR	1L	R	30.00
HD 19/5	Used as an all-purpose, high-foaming neutral cleaner for washing of dishes, floors, walls, glass tops, windows and all other general and light duty type cleaning applications.		5L	R	108.33
HD 19/25			25L	R	541.67
HD 27/5	TOILET DESCALER	YELLOW Amber	5L	R	91.67
	Used effectively as a descaler for most porcelain toilets. HD27 removes all brown stain residues in toilets. Can also be used as an acidic brick cleaner.				
HD 37/1	AMMONIATED ALL PURPOSE CLEANER	WHITE	1L	R	28.33
HD 37/5	Used as an all purpose ammoniated cleaner for all types of hard surface including floors, walls, tiles, basins, kitchens and general surfaces.		5L	R	100.00
HD 37/25			25L	R	500.00
HD 89/5	ODORITE BIO CUBES - 40gm		5kg	R	310.85
	Bio-Enzyme degradation of organic waste and deoderiser for urinals				
HD50/5	MORTAR REMOVER	YELLOW Amber	5L	R	120.83
HD50/25	Used effectively as a cement residue cleaner. Also used as a brick cleaner. Water soluble cleaner, hydrochloric acid, cleaning surfactants, natural cleaning derivatives, and water soluble cleaning solvents. Effectively degreases and removes heavy soil from paving. Can also be used as a deruster and toilet bowl cleaner. Also used as an acid edge prior to epoxy or painting of cement floors		25L	R	604.17

* Please enquire on stock availability. Some items are on order.
