

MATERIAL SAFETY DATA SHEET (16 Point MSDS)

HD 10 B HEAVY DUTY HARD SURFACE DEGREASER

Chemical Product And Company Identification

Product Name : HD 10 B – HEAVY DUTY HARD SURFACE DEGREASER

Distributor : Hygiene Disposables Manufacturer : P.A Dippenaar Investments

Address : 1 Bushbuck Close – Unit 2 t/a Chemical Techniques

Address : 12 Sophia Street

Corporate Park – South West Turffontein, Johannesburg

Technical

083 297 1617

Midrand, 1685 South Africa

(24 Hours)

Section 1. Product Identification

Product Name : Heavy Duty Hard Surface Degreaser

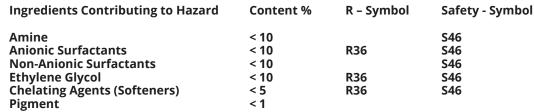

Product Code : HD 10 B

Chemical / Technical Nature : Water based degreaser and multi-purpose cleaner.

Application Type : All Surface application for daily cleaning and soil removal

Certification : SABS / SANS pending

Section 2. Composition & Information on Ingredients

For detailed risk and safety phrases see .15 of this MSDS. Please note data are typical of the product and not a specification or a full composition. The risk profile may change if this product is mixed with other compounds or as a blend within other components.

Revision of Hazardous Components based on SABS 0265:1999

Section 3. Hazards Identification

Primary Safety Hazard : Degreaser will dry skin Secondary Safety Hazard : Will irritate eyes Additional Info : Not Applicable

Section 4. First Aid Information

Eyes : Rinse with water, keep eye lids open. If discomfort does not subside within

30 minutes seek further medical attention if required.

Skin : Remove contaminated clothing, rinse with water & or wash with soap. Apply

cream to dry skin if required.

Ingestion : Do not induce vomiting, keep person calm & seek medical attention.

Inhalation : Fresh Air

GENERAL NOTES TO THE PHYSICIAN AND / OR MEDICAL OFFICER:

Never give anything by mouth or induce vomiting to an unconscious person. Treatment of exposure should be directed at the control of the symptoms and the clinical condition of the patient. Depending on the risk profile of the product and the patient the symptoms may re-occur and/or change over time. In that event have the patient consult a physician again.

HYGIENE DISPOSABLES

Section 5. Fire Fighting Measures

Use extinguishing Media (Eg: CO2 / Water / Dry Powder) Extinguishing Media

Special Hazards None known. Water based compound.

Section 6. Accidental Release Measures

Environmental Precautions Do not discharge large volumes into sewers

METHOD FOR CLEANING UP Dry Sand. Dishcharge in accordance with local regulations.

Small Liquid Spills (< 1 Drum) Transfer by mechanical means to a labelled, sealable container for product

recovery or safe disposal. Allow residues to evaporate or soak up with an

appropriate absorbent material and dispose.

Large Liquid Spills (> 1 Drum) Transfer by mechanical means such as vacuum truck to a salvage tank for

> recovery or safe disposal. Do not flush away residues with water. Retain as contaminated waste. Allow residues to evaporate or soak up with an appropriate absorbent material; and dispose of safely. Remove

contaminated soil and dispose of safely.

Section 7. Handling And Storage

Handling Precautions Normal Handling. No special measures required.

Store in plastic drums.

Cool storage, well ventilated, avoid high temperature and direct sunlight. Storage

Keep container sealed and marked at all times. Keep away from naked flame.

Section 8. Exposure Controls / Personal Protection

Engineering Control Measures

PERSONAL PROTECTION

No specific or special measures required.

Hands

Wear gloves

Face shield or goggles

Section 9. Stability And Reactivity

Stability Stable under normal cool conditions

Hazardous Decomposition Products None known

Section 10. Physical And Chemical Properties

Appearance Non Viscous Liquid

Colour Blue

Odour / Smell **Ethylene Solvent** Other Characteristics Not Applicable

pH as Supplied 12

9 - 10 pH @ 1% v/water Boiling Point Range / Degrees C >100°C

Melting Point Range / Degrees C Not Applicable Viscosity at 20°C / mPa-s Not Applicable Flash Point / Degrees C Not Applicable Auto Ignition Temp / Degrees C Not Applicable Explosion Limits in Air % Not Tested Vapour Pressure at 20°C Not Tested Specific Gravity - (SG) 1 - 1.05Soluble in Water Yes

Soluble in Other Not Applicable Other Data / Comments Not Applicable

These data references are typical for the product and not a specification

HYGIENE DISPOSABLES

Section 11. Toxicological Information / Health Effects

Inhalation : None.

Skin Contact
 Eye Contact
 Ingestion
 Dry skin, possible irritation and redness.
 Red eye, irritation, itchy, discomfort, pain.
 Stomach cramping, discomfort and / or pain.

Specific Effects : None experienced or reported.

Section 12. Ecological Information

Biodegradability : Contains readily biodegradable ingredients > 70% in 28 days.

This product can be successfully bio-remediated.

BioAccumulation : Not Likely Eco Toxicity : Non-Toxic

Section 13. Disposal Considerations

In accordance with Local Regulations. In the event that disposal of material is conducted by a third party please ensure that the service provider is authorized and reputable. Please contact the manufacturer for additional information if required.

Material Disposal : Recover or recycle if possible. It is the responsibility of the waste generator

to determine the toxicity and physical properties of the material generated to determine the proper waste classification and disposal methods in

compliance with applicable regulations.

Container Disposal : Drain container thoroughly. After draining, vent in a safe place away from

sparks and fire. Refer to Section 7 before handling the product or

containers. Residues may cause an explosion hazard if heated above the flash point. Do not puncture, cut or weld unclean drums. Send to drum

recoverer or metal reclaimer.

Local Legislation : Disposal should be in accordance with applicable regional, national, and

local laws and regulations. Local regulations may be more stringent than

regional or national requirements and must be complied with.

Section 14. Transport Information: Road and Rail Only

ADR / RID (Road / Rail)

UN Number : Not Applicable

Class : 9

Item : Not Applicable

Additional Information : Will cause slippery spill.

Section 15. Regulatory Information / EEC Classification

Warning Phrase	Caution	Symbol
Risk Phases	Harmful if swallowed	R22
	Can cause irritation to eye	R36
	Irritating to skin	R38
Safety Phases	Keep Out of Children's Reach	S2
	Keep container closed	S7
	When Using: Do Not Eat or Drink	S20
	Avoid Contact with Skin	S24
	Avoid Contact with Eyes	S25
	In Case of Contact : Wash Eye with water	S26
	Wear suitable protective clothing	S25
	If Swallowed : Seek Medical Advice	S46
Product Contains	: Water soluble solvents	
Certification	: SABS / SANS pending	

Section 16. Other Information

Personnel using this product must be trained and advised on the best, safest and most effective means of application.

Prepared by: RP Dippenaar | Date of Issue: February 2016 | Revised: April 2016 3/2016

The information contained herein is based on our best current technical knowledge of the product concerned and is given in good faith. The attention of end users is drawn to (amongst other things) the element of risk consequent to the use of the product for purposes other than that for which it was intended. In no way does the document remove the need for the user of this product to fully understand and apply statutory requirements. It is the user's sole responsibility to take due precautions relative to the use made of the product. All the information included herein is intended onto to assist the reader in fulfilling his or her statutory duty connected with the use of hazardous materials. This list of information must not be considered as exhaustive and does not exonerate the reader from taking other precautions described in documents other than those mentioned concerning the storage and use of the product for which he or she remains the sole person responsible.
