DOSING SYSTEM REQUIREMENTS

Hygiene Disposables can assist you with any Dosing System requirements in your establishment.

We can provide you with an outright purchase of the units or alternatively you may enter a Rental Agreement for the units.

Below is a brief overview of some of our popular products.

	DESCRIPTION	PICTURE	FEATURES & BENEFITS
1 Chemical Dosing Unit	<i>Lowest cost per product dispensed</i> Our Select dosing dispensers are an economical way to dispense a wide variety of automatically diluted solutions into spray bottles, buckets or other containers at the touch of a button. Dilution is controlled by drawing chemicals through metering tips of varying size and injecting this metered amount into the water flow.		* Versatile and easy to customize with any combination of product configurations * Fittings allow for more than three products to be dispensed
2 Chemical Dosing Unit	Made from durable materials and state of the art water valve technology to provide low costs, consistent performance, and reliable service in a wide variety of customer environments. <i>Users will also appreciate the ease of operation and low service requirements of the product line. Users simply turn a knob to select the product or dilution desired, then push the button to dispense ready-to-use solution. And since each standard button can be converted to lockability in the field, customizing the standard systems to individual needs is simpler than ever!</i>		* Expandable installation * Better chemical performance – consistent correct dilution * Time and labor savings – solutions are prepared accurately with reduced preparation time
3 Chemical Dosing Unit	Environmentally friendly		* Improved employee safety – eliminates splashing, spilling and back strain

HD 9/5	PINE GEL	GREEN	5kg	R	267,00
	Super concentrated neutral gel cleaner, with virgin pine oil >20% active				
HD 11/5	CRATE WASH INTERTEK / SANS 1828	AMBER	5L	R	246,00
HD11/25	Used for daily crate and bottle washing applications via enclosed systems or general manual or automated systems. May be used for general CIP applications.		25L	R	1 230,00
HD 12NF/5	DESCALER & CLEANER (Non Foaming) SANS 1828	AMBER	5L	R	421,00
HD12NF/25	Used primarily as an acidic wide spectrum descaler & cleaner for inorganic soiling. Will effectively remove hard water residue & perfect for use in CIP & in areas of high turbulence & water/air movement due to its low foaming properties. Can be used for general acidic cleaning applications. Safe to use on stainless steel & aluminium.		25L	R	2 105,00
HD 12HF/5	DESCALER & CLEANER (Foaming) INTERTEK / SANS 1828 pending	LIGHT BROWN	5L	TBA	
HD12HF/25	Used primarily as a gel type detergent on plant and general manufacturing equipment to remove harsh water scale and hard water mineral deposits. Will effectively descale and emulsify soiling, grease and grime. Safe on most types of metals. Caution should be taken when used neat on aluminium. Can be diluted in water to make up an effective acidic floor degreaser and acid edge.		25L	TBA	
HD 19/1	DISH WASHING DETERGENT - CONCENTRATE	CLEAR	1L	R	39,00
HD 19/5	Used as an all-purpose, high-foaming neutral cleaner for washing of dishes, floors, walls, glass tops, windows and all other general and light duty type cleaning applications.		5L	R	150,00
HD 19/25			25L	R	750,00
HD 27/5	TOILET DESCALER	YELLOW Amber	5L	R	134,00
	Used effectively as a descaler for most porcelain toilets. HD27 removes all brown stain residues in toilets. Can also be used as an acidic brick cleaner.				
HD 37/1	AMMONIATED ALL PURPOSE CLEANER	WHITE	1L	R	37,00
HD 37/5	Used as an all purpose ammoniated cleaner for all types of hard surface including floors, walls, tiles, basins, kitchens and general surfaces.		5L	R	142,00
HD 37/25			25L	R	709,00
HD50/5	MORTAR REMOVER	YELLOW Amber	5L	R	171,00
HD50/25	Used effectively as a cement residue cleaner. Also used as a brick cleaner. Water soluble cleaner, hydrochloric acid, cleaning surfactants, natural cleaning derivatives, and water soluble cleaning solvents. Effectively degreases and removes heavy soil from paving. Can also be used as a deruster and toilet bowl cleaner. Also used as an acid edge prior to epoxy or painting of cement floors		25L	R	855,00
